

The Orthodox Church???

OK we all know it's about icons and incense and fancy Greek words...

But is there more?

What about...

Social Justice, Violence, The Vicars of **Christ**,

Marginalized **P**eople, Science, The Unemployed, Ecology and Global Warming...

Ever wondered what the link is between:

Orthodox Liturgy and the **P**oor, Orthodox Theology and Everyday Life,
Orthodox **F**aith and the Present **S**ufferings in our World

NO: This is not an invitation to hear another lecture on **O**rthodoxy!
Rather it's an Invitation:

To be part of a struggling sinful community,
to live, taste... to be embraced by the Love of the Trinity

Come and see:

St John the Compassionate Mission, Patriarchate of Constantinople
